RDA : 29389

Handwritten text in a cursive script, likely Hebrew or Arabic, covering the length of the scroll. The text is arranged in approximately 15-20 horizontal lines, with some variations in line length and spacing. The script is dense and appears to be a form of shorthand or a specific dialect. The scroll is mounted on a dark, textured background, possibly a wooden board or a similar material, which is visible as a dark band across the middle of the image.
